## Online Marketplace

Expo Convention Contractors has been chosen as the Official Service Contractor for the 2024 Florida SuperCon.

We are prepared to assist you in every way possible to ensure a successful marketing presentation for your company. Expo has an online marketplace that provides an easy way for you to order all of your show services. Our system is user friendly and visually driven, making it easy to navigate.

You still have the option to download the PDF Exhibitor Manual, but you must first log in to the online marketplace. Below are instructions for how you can access our online marketplace or download your PDF Exhibitor Manual.

- Once you have successfully registered for a booth with the show manager, Expo will receive your contact information. We will then email you a unique temporary password, as well as link to our storefront (<https://expocci.boomerecommerce.com/>).
- When you log in for the first time, you will be prompted to update your password, keeping your order and payment information confidential and accessible only to you. If you were an exhibitor last year or have logged into our storefront before, your password will be whatever you changed it to the last time you logged in. You always have the option to reset your password from the login page.
- After you have logged in, you will be directed to your Event Homepage. Here you will find important show dates and times, booth equipment, shipping deadlines and shipping addresses.
- From your Event Homepage, you will also notice a menu on your left hand side. From these menu options you can start shopping to place your order online, print shipping labels, access subcontractor forms and download your PDF Exhibitor Manual.
- Freight shipments will incur a material handling charge. Please see the Shipping Information section of the online marketplace for posted rates. By having a credit card on file prior to move-in, Expo can deliver your shipment to your booth space in a timely manner.
- All remaining balances are to be paid prior to the show. If you have an open balance after the show has closed, a 25% administrative charge will be accessed to your invoice.
- **Please pay special attention to the deadline dates for placing your order and shipping your booth materials. The deadline date to receive Advance Warehouse freight is Friday, July 5, 2024 and Direct to Show shipments will be accepted on Wednesday, July 10, 2024.**
- Please call our Exhibitor Service Department if you need assistance. We're here to help! You can reach us at (305) 751.1234 or by email at [info@expocci.com](mailto:info@expocci.com)

## Terms and Conditions

### CLAIM(S) FOR LOSS AND PAYMENT FOR SERVICES:

Exhibitor agrees that any and all claims for loss or damage shall be submitted to ExpoCCI prior to the conclusion of the show when alleged loss or damage occurred prior to that time, and in all cases within 30 days of the conclusion of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which exhibitor must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against ExpoCCI more than one year after the date that loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between ExpoCCI and the exhibitor relative to any loss or damage claim, the exhibitor shall not be entitled to, and shall not withhold payment for ExpoCCI services as an offset against the amount of the alleged loss or damage. Any claim against ExpoCCI shall be considered a separate transaction and shall be resolved on its own merit.

### EXPO'S LIMITS OF LIABILITY:

If found liable for any loss or damage, ExpoCCI's sole and maximum liability for loss or damage to exhibitor's materials will be limited to the repair or replacement with like kind and quantity, subject to a dollar amount not to exceed \$5.00 (five dollars) per pound based on the weight of the articles for which ExpoCCI specifically acknowledges receipt in writing. ExpoCCI shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from, or related to, a claim for loss of or damage to material.

### INBOUND AND OUTBOUND SHIPMENTS:

Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his representative. During such time, the materials will be left unattended. ExpoCCI is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials after same have been delivered to the exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. ExpoCCI shall not be responsible for loss, damage, theft, or disappearance of exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the exhibitor and notations of exceptions to conditions of materials, or piece counts will be made on said document. ExpoCCI assumes no responsibility for loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed carrier or agent for transportation after the show. ExpoCCI loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. ExpoCCI assumes no liability for any materials after the carrier assumes custody of materials. If exhibitor's designated carrier fails to show by the moveout deadline after a show, ExpoCCI shall have the authority to route exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at exhibitor's expense.

Based on show move-in/moveout schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond ExpoCCI's control may be moved into the exhibit hall on overtime. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the ExpoCCI Service Desk.

### PACKAGING, CRATES AND EMPTY CONTAINERS:

ExpoCCI shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. ExpoCCI shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. ExpoCCI shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or his representative. All previous labels should be removed. ExpoCCI assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty".

## Material Handling Information

### Special Handling

The standard material handling applies to shipments that can be readily handled off or onto a truck using a conventional forklift or pallet jack equipment without rehandling. A special handling charge applies if your shipment requires extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

Rate as shown on Material Handling Authorization Form

### Overtime

Based on show move-in/move-out schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond EXPO's control may be moved into the exhibit hall on overtime. Any additional overtime charges will be invoiced at show site and are subject to change pending move-in/move-out schedules. Handling times will be documented on shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the EXPO Service Desk AND the driver has checked in.

Surcharge: 25%

### Late shipments

A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening.

Surcharge: 25%

### Uncrated Shipments

An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show and is based on the weight of the shipment handled.

Rate as shown on Material Handling Authorization Form

### Off Target Deliveries

For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

Surcharge: 25%

### Padded Van Deliveries

A padded van surcharge applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

Surcharge: \$8.30/CWT

### Marshaling Yard

Where EXPO Convention Contractors, as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, EXPO may charge a fee per shipment processed through the marshaling yard.

Surcharge: Maximum \$20.50

### Reweigh of shipments

An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

Surcharge: \$26.50 per forklift load

### Envelope Deliveries

During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

Surcharge: \$26.50 per envelope

### Accessible Storage

Accessible storage will be accessible during the show, but not necessarily by exhibitors. There is a one hour labor rate charge for each time the accessible storage is accessed. There will be no charge to return material to the booth at the close of the show.

Surcharge: Based on applicable Labor rate (refer to labor order form)

### Special Handling

Shipments arriving at the warehouse during Expo show move-in days and/or Exhibitor Move-in Days will be charged a Special Handling Fee. This fee will be based on the shipment received and the Delivery Location. The minimum charge will be \$250.00. Please see the Expo Quick Facts for Delivery Days, Times and Location.

Surcharge: BASED ON WEIGHT OF MATERIALS AND LOCATION

### Return to Warehouse

Crated materials only, uncrated materials will not be accepted at warehouse. Return to warehouse will be charged after Material Handling and Overtime Charges.

Surcharge: \$16.00 per CWT, Minimum \$ 50.00

### Mobile Spotting Fee

Vehicles operated by exhibitors may be allowed on the exhibit hall floor for loading or unloading, if EXPO determines such activity to be operationally feasible and safe. All vehicles operated on the exhibit hall floor must be escorted by EXPO personnel. In such cases, a MOBILE SPOTTING FEE will be charged. All local fire marshal rules and regulations apply. Please call customer service for details.

Surcharge: \$390.50 round trip ST Charge/ \$676.00 round trip OT charge

## Material Handling Q & A

### Questions and Answers

#### What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

#### What is the definition of "freight"?

Any exhibit materials that are shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

#### What is a "certified weight ticket"?

A printed weight ticket from a scale certified or inspected by a government authority such as the Dept. of Agriculture, indicating the date weighed, the weight of the shipment and the vehicle ID of the unit being weighed.

#### What is the difference between material handling and shipping?

Shipping is the process of carrying your shipment from your location, pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show. Material handling begins at the time your shipment arrives to the docks (please refer to 'What is material handling?' for the full definition.)

#### Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials.

#### What does CWT mean?

CWT is an acronym for Century Weight, therefore it means 100 lbs.

### Important facts about advance shipments

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

EXPO will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday-Friday, 8:00am - 3:30pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.)

Crates, cartons, skids, fibercases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

### Material Handling Charges

#### What determines how much I am charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

#### How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. When recording weight, round up to the next 100 lbs. For example: 185 lbs. = 185 lbs X RATE = \$ Amount or minimum charge, whichever is greater.

#### Will there be any additional charges?

Additional charges may apply.  
Please review the Material Handling Authorization and Material Handling Additional Services forms included in the manual for all applicable fees.

### Material Handling Charges

#### What are specialized carrier shipments?

Shipments that arrive via small package carrier such as FedEx Express Service, UPS small package service or DHL small package service AND do not have a certified weight ticket included with shipment. This applies to packages weighing under 100 lbs.

#### How do I calculate my specialized carrier shipment?

Charges for specialized carrier shipments are based on per carton, per delivery. Example: I'm shipping 3 packages via FedEx, how much will I be charged? 3 x per carton rate = \$ amount charged (plus any additional fees that may apply).

Please be advised that your whole shipment may not arrive to its destination at one time. Therefore, you may be charged per each delivery, and minimum charges may apply.

### Crated - Uncrated - Special Handling

#### What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/ reloaded with no special handling required.

#### What are UNCRATED materials?

Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

#### What is SPECIAL HANDLING?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

### Important facts about direct shipments

#### What are direct shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

**All shipments must be prepaid, no collect on delivery shipments will be accepted.**

### Liability Insurance

#### What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

### Outbound shipments

You must complete an EXPO Material Handling Agreement (MHA) for all outbound shipments. A MHA will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to customer service. If you have questions on how to complete your bill of lading, please ask a EXPO customer service representative located at the customer service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information.

If your carrier fails to pick up your shipment, EXPO will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your MHA).

## Area Work Rules

To assist you in planning for your participation in this event, we are certain you appreciate knowing in advance that union labor is required for certain aspects of your exhibit handling. To help you understand the Area Work Rules, we ask you to read the following:

### *FREIGHT HANDLING*

The Local Union claims jurisdiction over the operation of all material handling equipment, all unloading and reloading. An exhibitor may move material that is hand-carriable by one person in one trip, without the use of dollies, hand truck or other mechanical equipment. When exhibitors choose to hand-carry in accordance with the foregoing, they are not permitted access to the loading dock area[s].

EXPO is responsible for receiving and handling all exhibit materials and empty crates. It is our responsibility to manage loading docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition.

### *EXHIBIT INSTALLATION AND DISMANTLING*

We have an contract with the Local Union which claims jurisdiction over the installation and dismantle of tradeshow and exhibits. Full time employees of the exhibiting companies, however, may set their own exhibits without assistance from this local. Any labor services that may be required beyond what your regular full time employees can provide, must be rendered by the Union. Labor can be ordered in advance by returning the Labor form, or at show site, at the service desk. Proof of full time employment status may be requested by the Union Steward of any personnel working on your booth.

### *GRATUITIES*

We request that exhibitors do not tip (such practices as giving money, merchandise, or other special consideration for services rendered) employees. Do not give coffee breaks other than mid-morning and mid-afternoon, when union employees have fifteen minute paid breaks. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a supervisor. Employees are paid at an excellent wage. Tipping is strongly discouraged and is not an accepted company policy.

### *EXPO HOLD HARMLESS AGREEMENT / VEHICLE SPOTTING*

The Association and Exhibitor will hold harmless EXPO Convention Contractors, for any damage or injury resulting from vehicle spotting. Damage or injury to Vehicle / Driver / 3rd Party Personnel / Display.

### *IN GENERAL*

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. It is recommended that any questions arising with regard to union jurisdiction or practices be directed to an EXPO management representative.
